

You can check
the air quality
at this location

with Airly's sensor!

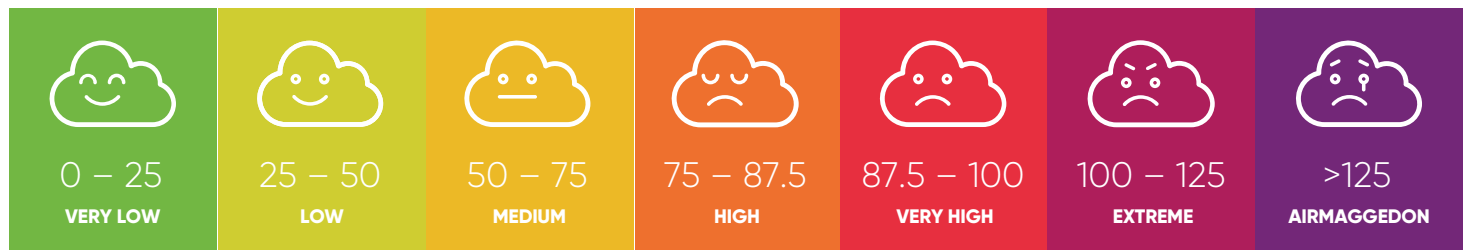

map.airly.org

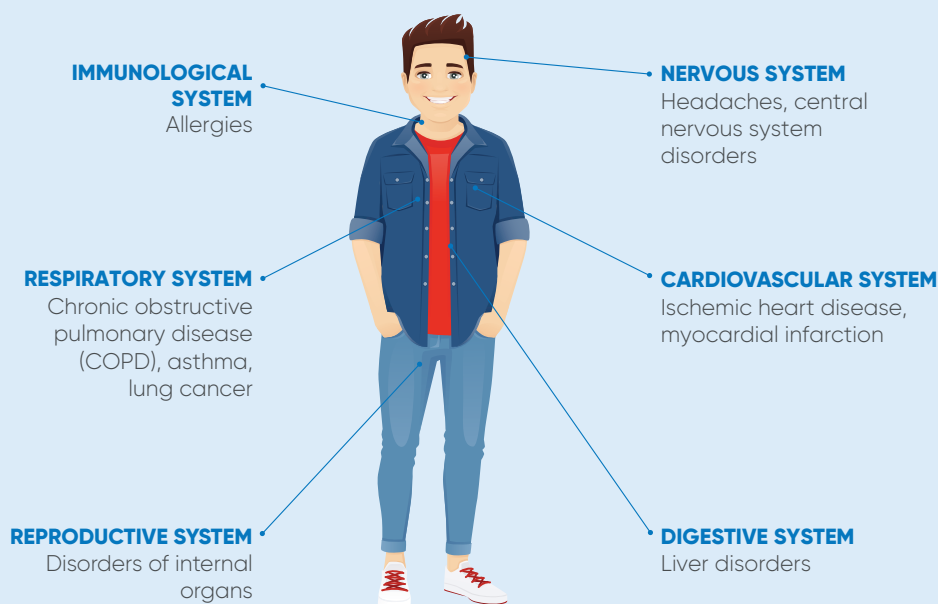

The Colour of the Air

The colour shown on the sensor represents air quality. Green indicates good air quality, yellow and orange signal increasing levels of pollution, and red and purple warn that the air quality is poor and harmful for your health.

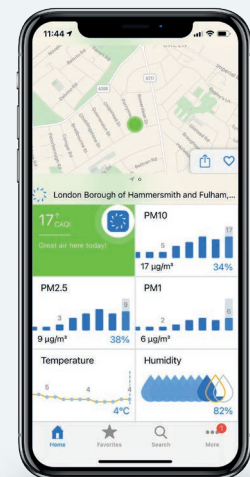

Pollution level according to the CAQI scale (European Air Quality Index)

Air quality has a significant impact on
OUR HEALTH AND LIVES.
