

You can check  
the air quality  
at this location

with Airly's sensor!

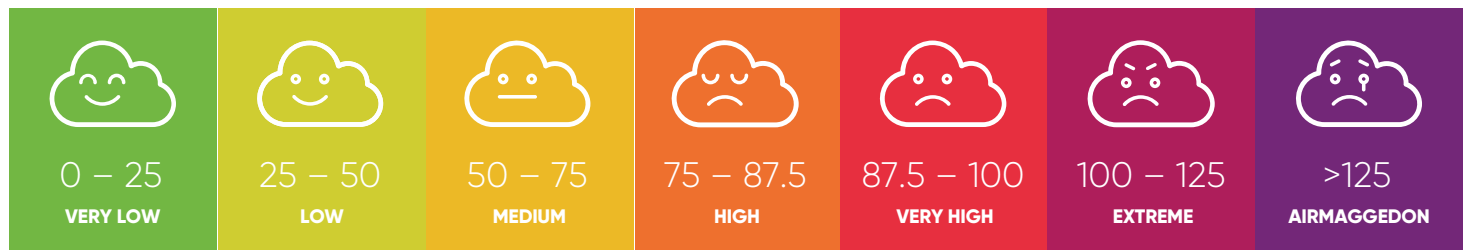

[map.airly.org](http://map.airly.org)

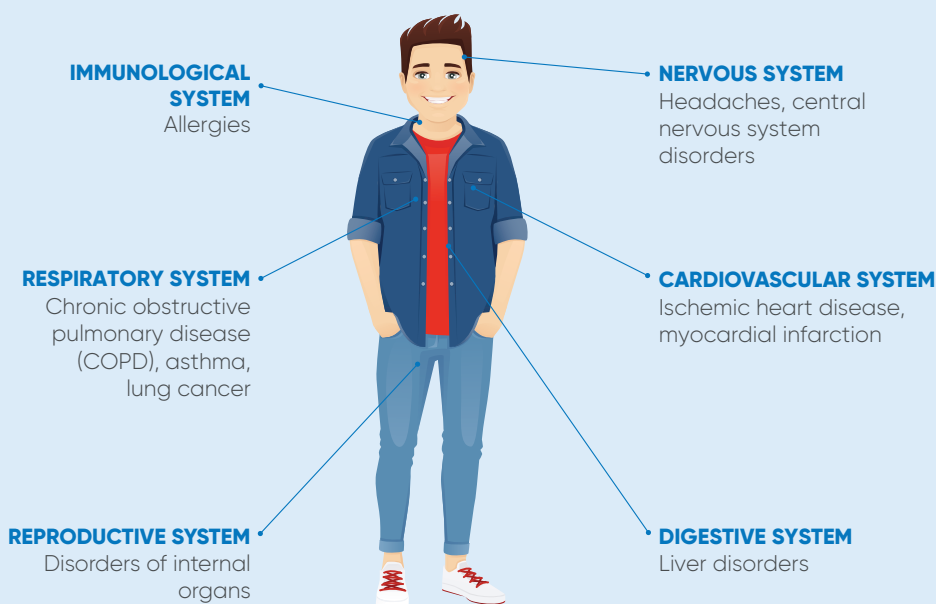

## The Colour of the Air

The colour shown on the sensor represents air quality. Green indicates good air quality, yellow and orange signal increasing levels of pollution, and red and purple warn that the air quality is poor and harmful for your health.

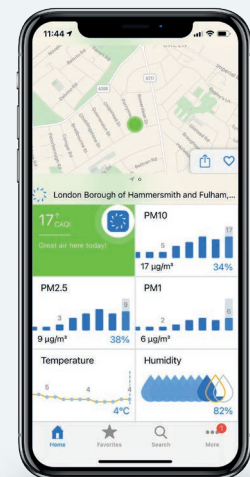

Pollution level according to the CAQI scale (European Air Quality Index)

Air quality has a significant impact on  
**OUR HEALTH AND LIVES.**

Get alerts to your phone  
when air quality worsens  
and check live measurements  
at [map.airly.org](http://map.airly.org)  
and via **the Airly  
mobile app.**
